The Radnor Township Board of Trustees met for a Special Meeting on Wednesday, July 6, 2022 at 6:30 PM at the Radnor Community Center.

Roll Call was taken as follows: Dan Boysel, aye; Dave Weber, aye; Teresa Watkins, aye. Also in attendance: Randy Butts and Bob Fish (Radnor Township Fire Department), and Katarina Wheeland.

The Board discussed the Fire Levy that ends in 2023. Teresa stated the earliest we can put a new Fire Levy on the ballot is November 2022; the other possible ballot dates are May 2023 and November 2023. The benefit of waiting to put on a ballot in 2023 is ensuring the Board and Fire Department gather all necessary information and are able to present the information to Township residents. If the township wants to put the Fire Levy on the November 2022 ballot, Resolutions would need to be submitted to the Delaware County Board of Commissioners by August 10, 2022.

The Fire Department shared their ideas with the Board on their five (5) year plan and how the Fire Levy funds would be spent. Randy and Bob stated within the next three to five (3-5) years the fire department will need to move to full time staffing, which they estimate payroll to increase to one (1) million dollars a year, and will require a renovation or addition to the fire station. Additionally, the fire department will need to purchase a new grass truck and replace all of the breathing apparatuses within the next few years.

The Board and the Fire department committed to working together to get a specific five (5) year plan and educate township residents in order to fully prepare for renewing or replacing the current Fire Levy. Therefore, the Board has opted to wait to put the Fire Levy on the ballot this coming November and will plan to have to have it on the May 2023 ballot.

There being no further business, Teresa moved to adjourn and Dave seconded; all ayes, motion carries 3-0. The next regularly scheduled Board of Trustees meeting will be held on Monday, July 11, 2022 at 6:30 PM.
